WEB POSTING

To

The Principals of all affiliated Colleges of Education offering M.Ed degree programme
(Except Autonomous Colleges)

Sir/Madam,

**Sub: TNTEU- Submission of M.Ed. (I SEMESTER) Research Proposals for
2025 -2027 Batch – Reg.**

I am, by direction, to inform you that the Colleges of Education affiliated to **Tamil Nadu Teachers Education University**, offering the M.Ed. (Two Year) Programme, shall adhere to the M.Ed. (CBCS) Regulations and Syllabus with effect from the academic year 2020–2021 onwards.

The students admitted during the academic year 2025–2026 alone shall submit two different research proposals (not exceeding five pages each) to the Research Advisory Committee of the concerned College/Department.

The Principal/Head of the Department shall constitute a three-member Research Advisory Committee, comprising the Supervisor of the candidate and two other senior teachers working at the M.Ed. level in the institution, to monitor the research activities of the College/Department.

The Research Advisory Committee shall scrutinize and finalize the research proposals, duly sign them, and forward the same to the Controller of Examinations, Tamil Nadu Teachers Education University, for further scrutiny and approval in the prescribed Excel format (Annexure). The soft copy shall be sent to the following Email ID: tnteumedresearch@gmail.com.

The hard copies of the duly approved research proposals, along with the details of the Research Advisory Committee, shall be addressed to the Controller of Examinations on or before **16.03.2026**.

GUIDELINES FOR SUBMISSION OF M.ED RESEARCH PROPOSAL

College Code & Name:	Register Number:
	Name of the Student:
Title of the Proposal :	Proposal No. :

Every M.Ed. candidate should submit his/her research proposals (for two different research problems) in the format as given below. The titles of each candidate should not be similar but different.

1.0 Statement of the Problem

State the research problem that you have chosen. A problem often implies that a controversy or difference of opinion exists. Research problems can be derived from theory, prior research results, or personal observation and experiences.

2.0 Title of Study

Write the title of your research problem.

3.0 Significance of the Study

Briefly mention the usefulness of the research. Indicate the benefits of the research findings.

4.0 Review of Related Literature

Make a brief review of literature relevant to your research problem.

5.0 Hypotheses

Formulate a major hypothesis based on the variables of your research problem. You can formulate some minor hypotheses, too. Hypotheses should be generally based on prior research and / or theory. The hypotheses can be stated in a declarative or question form.

6.0 Methods

6.1 Subjects:

Indicate the population from which you plan to select the sample.

Indicate the sample size: The number of subjects to be selected from the population.

Sampling technique: Indicate **where** and **how** the subjects are to be selected.

6.2 Procedure:

Outline the research plan:

Explain the procedure that you are going to follow in carrying out the study. Indicate **what data** will be needed and **what data gathering devices** (research tools) will be used.

6.3 Data Analysis:

Explain the methods that will be applied in analyzing the data based on the hypotheses stated.
